AT&T Pebble Beach Charities

Support Otter Athletics and Assist in CSUMB's

"Gearing up to Help Community Youth"

The California State University, Monterey Bay Athletic Program is the recipient of a grant from the AT&T Pebble Beach Charities. This grant provides for both operational and scholarship needs for the Otter Athletic Program and serves to support the educational efforts of nearly 270 students.

In addition, CSU Monterey Bay Athletics features a dynamic program of community outreach, "CSUMB Athletics: Gearing up to Help Community Youth." This program, also supported by funds provided by the AT&T Pebble Beach Charities, provides free sport clinics to area youth ages 8 through 14. The clinics feature CSUMB coaches and athletes providing training on fundamentals, techniques, and strategies for boys and girls. Various sports are offered at varying times throughout the year.

"We truly appreciate the support the AT&T Pebble Beach Charities provides CSUMB," comments Athletic Director Howard Gauthier. "The grants they provide give our student-athletes outstanding educational opportunities while allowing us to give back to the community through our youth sport programs."

For more information in regards to this program and our summer youth sports programs, contact the CSUMB Athletic Department at 831-582-3015.
